(b) Number of flights operated per week at Tiruchirapally, Madurai and Coimbatore airports are 25, 28 and 76 respectively.

Air connectivity to Bodhgaya

1359. MS. PRAMILA BOHIDAR:
SHRI B.J. PANDA:

Will the Minister of CIVIL AVIATION be pleased to state:

(a) whether the State Government of Orissa has made a request for routing of the Delhi-Bhubaneshwar flight through Varanasi or Bodhgaya to help the Buddhist tourists to visit Orissa, which is a heritage centre of Buddhist tourism; and

(b) if so, the status of the proposal and the time-frame within which it would be sanctioned to boost tourism of the State?

THE MINISTER OF STATE OF THE MINISTRY OF CIVIL AVIATION (SHRI PRAFUL PATEL): (a) and (b) Yes, Sir. Requests were received earlier which could not be acceded to since the traffic potential does not warrant such operations and it would also cause inconvenience to travelling passengers between Bhubaneshwar and Delhi.

Indian Airlines has no plans at present to reroute its Delhi-Bhubaneshwar flight *via* Varanasi or Gaya due to low traffic potential. Indian Airlines operates from Kolkata to both Bhubaneshwar and Gaya and passengers desirous of travelling between Gaya and Bhubaneshwar can avail of flight connections *via* Kolkata.
